Policies for Chatty Chameleon Classes:

General Information:

- To get the most benefit out of Chatty Chameleon language courses it is extremely important that you complete the entire year of classes. Learning a language is much like learning how to swim. You must learn several skills, practice them to progress to the next level, and then continue to learn new skills to add to your previous knowledge. Chatty Chameleon offers students the ability to progress through several levels of language courses that will ensure that you reach your language goals.
- Chatty Chameleon offers a sequential language program for children through adults! The courses are taught by PA and MD certified language teachers who have all clearances and over 60 years of combined language teaching experience.
- Courses run from September through April.
- Class size is limited to 12 students per class. The minimum size for a class to run is 5 enrolled students. If there are not enough students registered for a class, you will be contacted and offered the opportunity to join another age-appropriate class.
- Although you will be learning an amazing amount of language throughout the course, Chatty Chameleon does not guarantee that students will pass any test or exams in the language or that they will be completely fluent in the second language that they are studying.

Tuition and Payment:

- Prices for each class are listed on the reverse side of this document and are based on class length.
- Payments can be made in the form of cash or check made out to "Chatty Chameleon, LLC".
- To register for a class the registration form and payment is due by one week before the class begins.
- There will be a \$40 fee on all returned checks.
- If you would prefer to make monthly payments instead of the two payments listed on the reverse side, please talk to Nicole.
- Monthly payments will be due by the 7th of each month and can be mailed or brought to class.

Missed Classes/Cancelations:

- If classes need to be canceled due to inclement weather, a statement will be sent out through the Remind app and Facebook and a weather make up class will be provided and scheduled.
- If an emergency occurs and the teacher needs to cancel a class, the class will be rescheduled.
- Due to the nature of our classes, make up class will be offered only if there is room in another class of the same level during the same week. There will be no prorated refund for missed classes. Any materials that are given to students during the missed class will be provided to the students who missed the class.
- Should you decide to cancel a class in which you are enrolled, there will be a cancellation fee of \$25 and you will be given a prorated refund based on when you cancel.

I agree to the terms and conditions set forth by this document.
