**Recommendations and Policies:**

- Chatty Chameleon offers a sequential language program for children through adults! The courses are taught by PA and MD certified language teachers who have all clearances and over 60 years of language teaching experience.
- Learning a second language is incredibly beneficial for our children. The best time to learn a second language is at a young age, however most school language programs do not begin until high school. Linguistic and educational experts agree that learning other languages can only provide positive outcomes for our children. For example, “5 Reasons All Children Should Learn a Foreign Language fromwww.pgeveryday.com:
  - ⇒ 1. It improves their academic performance
  - ⇒ 2. It’s good for brain development
  - ⇒ 3. It helps them in their native language
  - ⇒ 4. It connects them to their heritage
  - ⇒ 5. It promotes cultural awareness of others
- Each Summer Spanish/Language Camps are offered M-F from 9:00-11:30 am or 12:00-2:30 pm.
- Should you decide to cancel a class in which your child is enrolled, there will be a cancellation fee of \$25 and you will be given a prorated refund based on when you cancel.
- There will be a \$40 fee on all returned checks.
- Payments can be made in the form of cash or a check made out to “Chatty Chameleon, LLC”.
- Registration—Registration form with payment of \$99 (and any add-on or additional camps) for the summer is due by May 31.
- Class size is limited to 10 students per class. The minimum size for a class to run is 5 enrolled students. If there are not enough students registered for a class, you will be contacted and offered the opportunity to join another age-appropriate class.
- Due to the nature and length of the summer camps, make up classes will not be possible. However, any materials that are taught and given during the missed class will be provided to the students who missed the class.
- Chatty Chameleon requires that parents walk their child (no matter what age) to the door of the classroom for drop off and that parents come to the door for pick up. Students will not be permitted to leave the building unattended for safety reasons, no exceptions. Parents must notify the instructor if someone other than the parent will be picking up or dropping off their child.

I agree to the terms and conditions set forth by this document.
